OVERVIEW

Temporary Kitchens 123 is United States largest temporary mobile kitchen rental company. We also provide the following services: dining room management, dishwashing services and both non remote and remote catering services. Our kitchen, refrigeration and dishwashing trailers are all NSF approved. We are ISO 9001 certified. In addition our trailers include an insignia from The United States HUD Department that relates to the occupancy group design loads, fire safety electrical, and mechanical load. The insignia also certifies ingress and egress access.

Icefoxleasing.com is the number one "emergency refrigeration rental" company in the United States. Our trailers are NSF approved and we are ISO 9001 certified. Icefoxleasing.com is a rebranding website of Temporary Kitchens 123.

Temporary123.com provides both emergency and non-emergency services such as emergency management, emergency debris removal, catering, emergency land clearing, emergency refrigeration, emergency construction, emergency shelter, tent rental (berry compliant optional) emergency tree removal, emergency water removal, contingency planning, disaster planning, disaster relief and more. Temporary123.com specialty rental division offers complete man camp, base camp equipment leasing that includes: laundry trailers, refrigeration, mobile kitchens, dishwasher trailers, shower trailer units, modular buildings, modular kitchens, restroom, portable water, bunk house, RV trailers and generators. Temporary123.com is a rebranding website of Temporary Kitchens 123.
